#### Research summary

I view myself as an applied economist with interest in the field of environmental economics and a particular focus on climate change policy. Methodologically, I make use of econometric/machine learning methods and data science tools to conduct empirical analysis. I also use computational methods to solve integrated assessment models (IAM) of climate change as well as theoretical economic models, such as dynamic contracts.

### **Current Position**

2021 — Lecturer in Data Analytics

present School of Business, SUNY Geneseo

### **Education**

2016 — 2021	Ph.D. in Economics, University of Wyoming Supervisors: Chuck Mason <sup>1</sup> and Thorsten Janus <sup>2</sup> Dissertaion: Essays in Political Economy
2014 — 2015	M.Sc. in Economics, Arizona State University
2012 — 2014	M.A. in Economics, SUNY Stony Brook
2006 — 2012	<b>B.Sc. in Applied Mathematics</b> , Hanyang University at Ansan, South Korea
2006 — 2012	B.A. in Economics, Hanyang University at Ansan, South Korea

# **Teaching**

Instructor, Data Visualization and Presentation<sup>3</sup>

2021 SUNY Geneseo

Taught for reproducible data visualization and paper writing on the web.

#### **Service**

2021 —	Data Analytics Curriculumn Meetings
present	School of Business, SUNY Geneseo <sup>4</sup>

# **Work Experience**

**Lecturer in Data Analytics** 2020 —

School of Business, SUNY Geneseo<sup>5</sup> present

I teach data analytics for undergraduate students.

## **Professional activities**

2018	Invited participant to the Global Dialogue for Happiness, World
	Government Summit <sup>6</sup> , Dubai
2017	Leading for Impact <sup>7</sup> fellow, 4-month leadership training programme at Saïd
	Business School, University of Oxford

# **Hornors & Awards**

2019	Wyoming
2019	John S. Bugas Economics Scholarship, University of Wyoming
2018	Ralph d'Arge Scholarship in Natural Resource Economics and Finance, University of Wyoming
2018	McMurry Excellence Fund, University of Wyoming
2018	Joseph C. and Katherine A. Drew Scholarship, University of Wyoming
2012	<b>Highest Grade Point Average in Economics Class of 2012</b> , Hanyang University at Ansan, South Korea
2010	<b>University Tutor of the Excellent Tutoring Team</b> , Hanyang University at Ansan, South Korea
2006	Merit-based Scholarships, Hanyang University at Ansan, South Korea

# **Grants and funding**

	Summer Augmentation Scholarship for Ph.D. Dissertation Research,
2020	University of Wyoming
	Conducted online due to the corona pandemic
2019	Graduate Student Conference Travel Funding, University of Wyoming
	Graduate Student Conference Travel Funding, University of Wyoming

## Miscelaneous

#### Computing skills

Programming, data analysis and visualisation in R (tidyverse), Python, and D3.js

Reproducible research with R Markdown (bookdown, xaringan, pagedown) + LaTeX + HTML

**Web development** (HTML, CSS, JavaScript, Hugo, blogdown, Jekyll, GitHub Pages, Netlify)

#### Skills & volunteering

2017 — present	Founding Band Member The Karaoke Collective <sup>8</sup> Inventor, MC and drummer; the KC is a group of seasoned musicians in Oxford and London where we blend the fun of karaoke with the magic of a live band.
